Harvest Appeal 2018

Last year County Durham Foodbank provided 16,529 food packages to 10,330 individuals. They help people in genuine crisis rather than encouraging dependency. A large proportion of this food came from the harvest collections of schools and churches, each providing for the needs of this County.

We were overwhelmed by your support with donations last year and Peases West Primary will once again be holding a Harvest collection for the foodbank. We welcome all donations which can be handed in to your child's class teacher or the school office.

County Durham foodbank only works with non-perishable food items (tinned and dried goods), which do not spoil or decay. This means that neither the foodbank nor the recipient has to worry about storing the food in a fridge or freezer, and there is less likelihood of food going to waste. It also means that we can give each client a carefully designed food parcel that contains three days' worth of nutritionally-balanced food. We also take non-food items such as toiletries, cleaning and sanitary products, as these are just as essential. Please find further information overleaf.

Could all donations please be handed in no later than Friday 12th October.

Thank you for your anticipated support.
