Dear Parents/Carers,

I am sure you will have seen or heard the announcement from the government this evening that schools are to close on Friday.

There are parts of this announcement that for us are as confusing as for you. e.g. how many of you qualify for being a key worker such as police officer, NHS, care home, assisted living/residential care support, supermarkets or drivers.

It would be really helpful if you could email me at a.johnson101@durhamlearning.net so I have an idea of numbers moving forward.

Staff are working exceptionally hard to provide continued support for your children's learning and we will provide you with updates as soon as we have them.

Please, all take care.

Alison Johnson
