

Parkside Academy

An Outstanding School

Headteacher: Mr K. Simpson

April 2020

Dear Parent,

Thank you for choosing Parkside Academy for your child's secondary education. In normal circumstances we would hold a range of transition activities with your child in the Summer Term. However, given the current circumstances this is unlikely to take place.

Supporting your child's transition remains a priority for the Academy, therefore, we have arranged for several of our departments to put together a range of two-week projects for your child to complete. The projects will give your child an insight into some of the subjects that they will be doing when they arrive at Parkside.

The projects will be made available to you through the following channels: Facebook, text link and they can also be found on the school's website in the Parents section under the Year 6 Primary Transition tab which is on the left hand side of the page at the bottom. The projects with start times are as follows:

Project	Start Date
English	Monday 20 April
Maths	Monday 4 May
Science	Monday 18 May (including May Half Term)
Technology	Monday 1 June
History	Monday 15 June

The projects can be returned to us by email to the following address: contact@parkside.org.uk and we will celebrate students work on our Facebook page.

Finally, thank you for your ongoing support in this matter and working together we can make your child's transition to Parkside Academy as smooth as possible in these trying circumstances.

Yours sincerely

Mr. K. Simpson

Headteacher
