

BREAKFAST CLUB

Summer 2021 arrangements

Dear Parents/Carers,

As we move in to Summer term and reopen our breakfast club provision, we would like to update you about arrangements. Due to ongoing COVID-19 infection control measures, provision will be different from how it has previously looked:

- Breakfast club will run from 8:00a.m - 8:50am at a cost of £2.50 per child per day. This can be paid for via your ParentPay account.
- We ask that children access school by the hall doors situated at the end of the school drive. Please do not drive vehicles along the drive.
- Children should not arrive sooner than 8:00a.m as there will be no supervision.
- Breakfast will be available until 8.45a.m.
- Children will remain in the hall on socially distanced tables.
- Sessions will need to be pre-booked.

If you would like your child to attend breakfast club, can you please Contact Mrs Cowper directly to discuss requirements and arrange sessions no later than Thursday 25th March.

Many thanks,

A Johnson
