<p>Use recyclable materials such as cardboard boxes and tubes to construct a model building. This could be your home, a building in the local area, or you could create your very own sculpture. What materials will you use? What will be the purpose of the material? How will you attach the materials? We would love to see a picture of your model, or you could even bring it into school to share with your friends.</p>							<p style="text-align: center;"><b>Animal fact finding!</b></p> <p>Choose an animal to find out about. Can you write 5 facts about the animal? What is its habitat? Would we find it in our local area? What is the adult and young called? What do they eat? Have you found out any 'fascinating facts'?</p>							<p style="text-align: center;">Look at the range of technology around your home. What is each item used for? How do they work? Can you write a set of simple instructions for how to use one of the pieces of technology?</p>							 <b>WILDCARD</b>
