<p>Select a country and design a fact file about it. Tell me about its location, currency, climate and tourist attractions. What makes your country unique?</p>							<p>Design a poster which shows the order of the planets and what they are called. You might want to make up your own mnemonic to help people remember the order. Online Planetarium - In-The-Sky.org</p>							<p>If you had to start from scratch without an alphabet, how would you write your name? If my name was David Houseman, I could draw a sun (day), a video recorder (vid) symbol, a house (house) and a man (man).</p>
