Can you design a poster to encourage children & young people about how we need to reduce the amount of plastic we are using and why?							What do you know about our punishment system in the United Kingdom? What do you want to know? Write down any questions you may have and see if you can research the answers.							Look at the KS2 BBC Bitesize page which focuses on forces. Can you draw and label different examples of forces that you may see or do in everyday life.
