

31st October 2022

Maths Fluency/Home Learning Club – Autumn 22
Tuesdays 3:10pm – 4:15pm

Dear parent/carer,

Our school ambassadors have suggested that a weekly Times Table and/or Numbot after school club session, alongside an opportunity to complete learning journal tasks would be a great opportunity to further support learning.

The club will begin on Tuesday 8th November and run every Tuesday until 06.12.22.

The aim of the club will be to provide children with the opportunity to use the school's facilities each week and spend extra time recalling and practising their number bonds and times tables which underpin the maths curriculum, as well as having staff support with learning journal tasks.

If your child/children would like a place at the club, please complete the slip below and return no later than Wednesday 2nd November. We are envisioning the club to be popular and will confirm your child has secured a place by text.

Thank you for your ongoing support,

Melissa Morton
Deputy Headteacher

Out of school hours learning club - 08.11.22 – 6.12.22

I would like my child/children _____
to attend the learning club.

Signed: _____ Parent/Carer

Date: _____
